

## THUAS Summer School 2018 - Call for Chinese Expert

The Hague University of Applied Sciences (THUAS) is a University of Applied Sciences in The Netherlands known for its internationalization and inclusive study approaches. THUAS has students and staff from more than 140 countries. The university located in The Hague - the location of the Dutch Government and the International City of Peace and Justice. In 2016 and 2017, THUAS successfully organized her summer school for international students from all of the world and in particular, from our worldwide partner universities. Our Summer School uses United Nation's Development Goals as our set theme. This year, the theme is Sustainability.

In order to include a Chinese perspective in this year's Summer School, THUAS Summer School this year would like to place an Elective course Sustainable Development on China. Professors and Lecturers from our Chinese Partner Universities are warmly welcomed to send in their course proposals. Please take note we have only one place available.

### Teaching time

The 2018 THUAS Summer School is scheduled to be in the weeks of July 2 to 13, 2018. Two weeks in total, with no classes on Saturdays and Sundays.

We expect you to teach 8 mornings sessions of workshops. The opening ceremony is on Monday, July 2, 2018, and teaching starts on Tuesday July 3.

Teaching time: 9:00 – 12:00

### Course Topic

- Sustainable Development in China. The scope can be in business and in other

- developing fields. A comparative approach is preferred (but not a must).
- The course you offer is a course you have taught before.
  - Language of teaching: English
  - Method of teaching: interactive workshop

### Qualifications of the Applicant

- The applicant holds a Master degree or above.
- The applicant has proven experience teaching on the subject in English and he/she is familiar with interactive teaching method.
- The applicant is able to engage students of different background and create a pleasant and dynamic classroom atmosphere.

### Benefits

The allowance for the two weeks' teaching is **1500 euro**. THUAS will cover your accommodation and return air tickets (economy class) and transportation between the Schiphol International Airport and THUAS campus. THUAS will not cover your international insurance, fee for visa application. Accommodation will be arranged to be near campus.

### Documents to be provided by applicant

We ask the applicant to send in an One page A4 Proposal (definitely no more than two pages). The proposal should include these information:

- *Name of instructor*
- *Contact information* (email address, telephone number, and postal address)
- *Profile* (no more than 200 words, highest degree and current field, research areas and major courses taught + a recent photo)
- *Course Title*
- *Course Description* (including objectives, topics covered for each session, brief info about assessment, required reading list)
